Making Greener Choices

We continue to evolve into a “greener” conference by making conscious decisions to curb waste and reduce our environmental impact. We significantly reduce paper consumption by reducing print materials. Abstracts, session information, and other items for the conference can be found in the conference Guidebook Mobile App at <https://www.icpel.org/conference-app.html>

Conference Information

Evaluation of Session and Conference

Assessment is important to us and the future of ICPEL conferences. Please be encouraged to complete session evaluations following each concurrent session; and to complete an overall conference evaluation following the conference. The evaluation forms are available in concurrent session room, in the conference app, and on the website.

ICPEL Publications

The International Council of Professors of Educational Leadership publishes its four peer-reviewed journals through ICPEL Publications and print on-demand books through ICPEL Press. Journal and book access and information is available at our website. A cadre of over 250 editors, assistant editors, topic area editors, editorial advisors, and reviewers work to publish these journals. Inquiries regarding our journal publishing and opportunities for your involvement should be directed to ICPEL Publications Director, Brad Bizzell, at bbizzell@radford.edu.
